MEET THE DIRECTORS

Mitchell Bahr, Instrumental Music Director - Currently in his 25th year (20th at Foothill) of music education, Mr. Bahr studied at Biola University (B.A. '96) and the American Band College (M.A. '03). An Anderson High School graduate ('91), Mitch has

been recognized as California State Teacher of the Year ('16) and the CMEA Music Educator of the Year ('20). He is active in the community as a clinician, conductor and adjudicator. Mr. Bahr currently serves as festival host for the Redding Solo/Ensemble Festival, and coordinates many additional events here in the North State. Here at his dream job at Foothill, Mr. Bahr has thoroughly enjoyed building the music department by cultivating the talents and energies of these wonderful, young musicians. He is married to Carmen Bahr ('95), and they have two children (Isabelle, 19 and Isaac, 17).

Natalie Hendrickson, Drama Director - Natalie Hendrickson is a Redding native as she graduated from Central Valley High School ('88), earned her BFA in English with an emphasis in theater from Chico State University ('92) and has worked for the past 29 years at Foothill High School. Teaching theater is her passion and she enjoys working with students through every aspect of the show whether it be lights, sound, stage combat, etc. This is her 56th Foothill production and she has enjoyed being a part of Club Cougar since the beginning. This summer, she and her husband Jeff will be celebrating 27 years of marriage. "It's amazing how much this show has developed over the years, and we're excited to prove that even with the challenges of today, we can adapt to any situation. Enjoy the magic that is Club Cougar!"

Ernesto Aguirre, Vocal Director - Mr. Aguirre is currently in his first year (first few weeks, in fact!) of teaching in the public school system, and is a 2014 graduate of Foothill High School. While at FHS, Ernesto was a three-year member of the Club Cougar Orchestra, and a four year band student. After graduating, he went on to earn his Bachelors of Music from San Jose State University, and earned his teaching credential from Simpson University. While enrolled in San Jose State University, Mr. Aguirre was an active musician in the local jazz circles, and maintained a private studio of trombone students. Many of his students went on to participate in All-State Ensembles and touring Youth Orchestras.

Kathleen Babcock, Dance Choreographer - Kathy began dancing at age 5 with classes in ballet. Shortly thereafter, she expanded her dance training to include ballroom, jazz, and tap. In college, she earned a BA in English with a double minor in Dance & Business Education. She holds both elementary and secondary teaching credentials from Chico State University. After college, Kathy was active as a ballroom dance instructor in a wide variety of styles throughout the Bay Area. Since moving to Redding in 1989, Kathy has choreographed several community ballroom, musical comedy, and dance productions (i.e. Club Cougar, Shasta College musicals and One Safe Place's Dancing with the Stars). Currently, Kathy teaches ballroom dance weekly to adults through her business, Step by Step School of Ballroom Dance. (For more info please visit: www.stepbystepballroomdance.com)
